Small, local businesses and agriculture are the driving forces of our community. And at CLFCU, we want to help you grow and thrive.

CLFCU began as a Farm Bureau coop in 1932, and after nearly 90 years, we are still in the agricultural lending business.

As farmers and small business owners, your time is valuable. We get that. That's why our application process is quick and easy. Our loan officers are friendly and knowledgeable and would love the opportunity to get to know you and your business. Call or stop by to learn more about CLFCU Ag & Business lending, and if you can't make it in to the credit union, we'll be happy to come to you.
